

Parts Price List

June 15, 2016

ADC Part No. 451001

Prices are subject to change without notice. The price on the invoice may not necessarily be the same as the price on the acknowledgement. Parts will be at the price prevailing on the date of invoicing.

Part numbers starting with an "8" are fabricated assemblies, which may be subject to longer lead times because they must be manufactured.

Formal (written) quotes will be valid for thirty (30) days. When submitting parts orders where a formal quote was issued, the quotation number must be provided at that time, or the quote will not be valid.

VERBAL QUOTES ARE NOT BINDING AND WILL NOT BE HONORED.

MINIMUM ORDER REQUIREMENTS MAY APPLY
