GE® Commercial 3.8 cu. ft. Capacity Washer with Built-In App-Based Payment System, Coin Compatible*

FEATURES AND BENEFITS

Built-In, Coinless Payment System – Eliminate the hassle of coins with the easiest, smartest, built-in QR code laundry POS system.

Launderday™ User App – Enhance the commercial laundry user experience with the Launderday™ User App. Offer customers access to contactless payment and cycle notifications for a modern laundry experience.

SmartHQ™ Management – SmartHQ™ Management Owner's Dashboard offers a centralized space for managing site revenues, machine status, pricing activities and refund requests.

Microban® Protection – Antimicrobial technology is built in to critical areas of this ultrafresh commercial laundry, including the control panel and the lint filter of the dryer.

Payment Flexibility – This commercial laundry with payment flexibility allows for optional acceptance of coin payment, built-in QR payment or both.

Commercial Grade Components – Enjoy lasting performance from built-to-last commercial laundry parts, including a heavy-duty agitator, fully front serviceable galvanized steel cabinet, cap-touch controls, 1/2 horsepower motor, stainless steel wash basket and metal transmission.

Extra-Large Washer Capacity – Maximize revenue with a 3.8 cu. ft. washer that delivers the wash experience that tenants and guests expect.

800RPM Spin Speed – A higher spin speed maximizes water extraction.

5 Year Warranty – Enjoy peace of mind thanks to this commercial laundry with 5-year limited parts warranty.

Parts Promise – The commercial laundry parts promise ensures that the most common components are on hand and available for shipment within one business day.
