VFW31OSSRWW

GE® Commercial 22lb. Capacity Washer with Built-In App-Based Payment System, Coin Compatible*

FEATURES AND BENEFITS

Built-In, Coinless Payment System** – Eliminates the hassle of coins with the easiest, smartest, built-in QR code payment system.

***3rd party processing fees apply*

Launderday™ User App – Offers tenants and guests a modern laundry experience that saves them time with secure contactless payment, cycle notifications, machine availability status, and more.

SmarterHQ™ Management – Owner’s Dashboard centralizes critical laundry management information, including site revenues, machine status, pricing activities, and refund requests.

Protected with Microban® – Antimicrobial technology built into high-touch elements on the control panel.

Commercial-Grade Components and Materials – Built to last with a commercial grade motor, stainless steel wash basket, galvanized steel cabinet, and metal transmission.

Payment Flexibility - This commercial laundry with payment flexibility allows for optional acceptance of coin payment, built-in QR payment or both

22lb. Capacity – Maximizes revenue with an extra-large capacity that delivers the wash experience that tenants and guests expect.

Service Priority – Receive timely response from a dedicated service support team.

Parts Promise – Most common repair components** are on hand and available to be shipped within one business day.
