Vended **Front Load Washer** with **Galaxy 600™**

At Huebsch, our priority is making commercial laundry equipment that's perfectly aligned with your business philosophy. In other words, because you believe that profit is the inevitable result of superior efficiency, durability, simplicity and service, that's exactly what we deliver.

CUTTING-EDGE BALANCE SENSING SYSTEM

An updated suspension and new sensing technologies combine to redistribute loads and maintain cycle times—resulting in reduced utility costs, shorter wait times and increased turns through your store.

10-DEGREE TILTED CONTROL PANEL

Improved control visibility and ease-of-use make for an ideal user experience.

INCREDIBLE 440 G-FORCE

Increased spin speed maximizes moisture removal and reduces drying times, getting customers in and out of your store faster—and ensuring they leave satisfied.

INNER & OUTER STAINLESS-STEEL TUBS

Built to be virtually indestructible.

UNMATCHED DURABILITY

Built with premium materials and tested to meet the demands of the harshest environments, these commercial-grade machines deliver reliable, efficient operation load after load—and they're backed up by Huebsch's standard three-year warranty.*

20% LARGER CAPACITY

Increased capacity means bigger loads, which allow for higher vend pricing. In addition, improved water and energy efficiencies lower utility bills and keep more money in your pocket.

GALAXY™ 600 CONTROLS

Integrating Galaxy 600 controls allows for intuitive operation and simple programming throughout your store with revenue-boosting options. Better yet, it means your Vended Front Load Washer is Huebsch Command-compatible.

- Capacitive Touch buttons are durable, inside and out, and reliable for years of use without looking worn
- White LED lights on buttons
- Integrated Wifi
- NFC allows programming using your phone/tablet, Android only

*Parts only, labor not included. See Huebsch Warranty Bond for specifics.

HUEBSCH COMMAND™ READY

The Huesbch Command™ Technology Suite changes the way you'll run your laundry business. Get unprecedented power over all your business data—financial, operational, customer, service machine and maintenance—in a single 360-degree control center, enabling you to make informed business decisions and be in command of your business's growth.
