ROI...Reimagined

Speed Queen's stacked washer-extractor/tumble dryer, featuring the Quantum Touch control, is a unique product that truly delivers return on investment.

- Designed to produce maximum ROI per square foot for laundries where space is at a premium
- Offers all the benefits of a Speed Queen 30-pound washer-extractor and tumbler dryer (50-pound version also available)
- A flush-mounted soap dispenser contributes to the machine's sleek, modern design, that includes stainless steel with chrome accents
- Minimal front fasteners gives quick access to key washer-extractor components to improve serviceability
- Tumble dryer features two cycle modifiers for additional profit potential
- Great product for owners to differentiate their store from the competition. The stack provides customers an all-in-one option, with no need to use a laundry cart to transfer loads across the store to the tumble dryer section.
