Bill Breakers are an ideal fit for carwashes, laundries, game rooms, vending locations, libraries, parking garages, ATM locations, casinos and payment kiosks. They are a must have for laundry card stores and self serve carwash bays with bill acceptors. The new bill breakers provide the perfect solution by replacing heavy, bulky coins with bills.

- Improve cash flow by recycling patrons bills to other patrons.
- Increase profits by putting bills in customers hands
- Increase security and control of currency and coin
- Decrease labor costs as a secure 24/7 attendant
- Reduce the amount of money in bill changers

STANDARD FEATURES

- The only bill breakers to use bill dispenser and recycler together
