

MasterLink CardSlides

An Economical Value Transfer Machine
That Allows the User to Add Value to a MoneyCard with Cash

A MasterLink CardSlide has an internal router that can facilitate a wireless connection to an Internet modem. The MasterLink can also serve as the local router for up to seven additional readers in the laundry room. There are multiple payment options with this equipment; it is possible to accept credit and debit cards on every washer and dryer, the readers can read a personalized Magnetic Stripe Card or a SmartCard. All readers will be accessible remotely through the MyLaundryLink website for real time revenue reporting and price changes..
