

SmartCard Deluxe VTM

The Deluxe VTM Was for Many Years the Industry Standard. Adds Value to SmartCards with Inserted Cash and Dispenses SmartCards for Inserted Cash

For many years the Deluxe VTM has been one of ESD's most popular value transfer machines for Laundromats. The Deluxe VTM is designed to add value to SmartCards by inserting cash, it will also dispense SmartCards when purchased for cash. It is bi-lingual (Spanish and English) and it has four large buttons to making it very user friendly to both customers and operators. The Super Manager feature allows visual audits and set up functions. Data Trac permits customer card serial number tracking up to the last 5,000 transactions.
