

**Product Name:** VendMaster 894 soap

**Model Number:** VM894 soap

**Order Code:** VM894 soap

**Retail price:** \$1330.00

**Description:** 8 column coin slide operated soap vender

**Features:** The VendMaster 894 is an 8 column coin slide operated vending machine and a capacity of 184

vends.

This vender features ESD or Greenwald Vertical 5 coin slides (specify when ordering) which makes multi pricing (any column any price from .25 to 1.25) possible. The package weights lock out the vend cycle when the column is empty to cut down on user abuse.

The cabinet offers a locked cash box, a three point locking system on the doors, and a three door design that allows you to service the vender without blocking the aisle.

This vender can be set up with a built in bag vender (specify when ordering), which cuts the soap capacity down to 138 and comes with two cases of plastic bags: 1 case of 50c bags (144 bags/case) - a \$72.00 value.

Add a Security Guard and two American 2000 locks for \$290.00, see VendMaster 894 soap w/Security Guard.
