Product Name: VendMaster 360 debit bag

Model Number: VM360DB

Order Code: VM360DB

Retail price: \$2175.00

Description: 12 column electronic push button with built in bag vender

Features: The VendMaster 360 is a 12 column electronic push button vender with a built in bag vending machine and a capacity of 360 vends.

This vender interfaces with any MDB (Multi Drop Bus) compatible card reader system. The hook up is thru the MDB cable and in many cases there is no additional wiring needed. Electronic features include: Multi pricing, accountability and self diagnostics.

The cabinet offers a three point locking system on the doors, a direct fill magazine, and a three door design that allows you to service the vender without blocking the aisle.

The vender comes with 1 case of 50c bags (144 bags/case) and 1 case of 75c bags (120 bags/case.) A \$162.00 value.

Add a Security Guard and two American 2000 locks for \$290.00, see VendMaster 360 coin bag w/Security Guard.
