

Product Name: Vision Vender with Compressor

Model Number: 1200-VCC-CS

Order Code: 1200-VCC-CS

Retail price: \$6275.00

Description: Customizable, glass front vender with compressor for candy, snack and soda sales.

Features: Glass front allows convenient viewing of available products.

EasyFlex conveyor delivery eliminates spirals providing universal trays for easy product mix. Conveyor's adjustable motor speed & torque vends containers from 1.4 oz to 30oz.

Compressor allows for temperature range from ambient to 33° F.

Adjustable pull-out trays for easy loading with built in step stool to facilitate loading of upper trays to eliminate tilt-down trays.

SmartVend elevator delivery system guarantees a product vend and eliminates drop damage with a waist height delivery point.

Compatible with multiple payment systems: coin, bill or debit (MDB or Executive Protocol.)

Technical features include:
Programmable front panel lighting with energy saving feature which turns off display lights during non-operational periods.
Continuous self testing & diagnosis as well as a failure incident report.
Useful accountability & sales data storage.
LCD display of programming messages, product price and machine status.

Large capacity locked cash box.
Cabinet is made of 1.5mm steel with an anti-corrosion treatment.

Product dimensions: 31.5" W x 72" H x 36.75" D

Capacity: 12-20 different products depending on configuration

Weight: 705 lbs. empty

Color: Blue & white soap bubble graphic on front panel. Optional matching side panel graphics available.

Special instructions: FOB Chicago - shipped LTL
