THE HUEBSCH APP & HUEBSCH VALUE CENTER

Today's consumers have more choices, more mobility and less time than ever before.

By accepting mobile payment via smartphone, you can deliver a quick, convenient laundry experience that fits seamlessly into your customers' lives.

- Cash and cashless options are available for online wallet reloading with the Huebsch app.
- Customers can take advantage of the Huebsch Value Center, where they can load value to their online wallets.
- Customers can view the status of their current cycle in the app and get notified when their laundry is done.
- The ability to manage all locations from one interface centralizes refunds and saves you time.

HUEBSCH REWARDS

Available via the Huebsch app, Huebsch Rewards helps you show appreciation for—and retain—your customers.

HUEBSCH COMMAND™

- Customers accumulate points and earn rewards for visiting your store.
- Huebsch Rewards lets you foster stronger connections with your customers, leading to increased loyalty—and the ability to positively influence buying behavior.
- You control how rewards are earned and redeemed.
- It's fully integrated into Huebsch Command, so there are no third-party payment systems to install and maintain.
- The Huebsch app is available for smartphones running iOS or Android.
