

ESD Payment Center VTM[®]

The ESD Payment Center VTM[®] Brings State-of-the-Art Payment Methods to Today's Laundry Owners. The ESD Payment Center VTM[®] is a Superlative Value Transfer Machine that will Complement Any of the ESD Card Payment Systems.

The ESD Payment Center VTM[®] has a full color, intuitive touch screen monitor and audio prompts to assist the customer in registering their account, viewing their card balance, adding value to their card, and buying a new store loyalty card. The new ESD Payment Center VTM[®] accepts cash, credit cards, debit cards, pin-based debit cards, and Electronic Benefit Transfer (EBT) cards. In addition the terminal is enabled to communicate with any NFC mobile payment device. This allows the new terminal to accept Apple Pay, Samsung Pay, Android Pay, Google Pay, and any other NFC mobile wallets.

The ESD Payment Center VTM[®] is connected to the Internet and uses ESD's MyLaundryLink[®] to track all VTM transactions. It can be accessed from any computer in the world that is connected to the Internet.

UL Listed to the U.S. and Canadian Safety Standards. Prices and Specifications Are Subject to Change Without Notice.

ESD Payment Center VTM[®]
