COMMERCIAL STACK WASHER/DRYER

Built for Reliable Performance

Speed Queen's stack washer/dryer brings an innovative stacked concept that takes up half the floor space that a conventional washer and dryer does when situated side by side. The freestanding softmount design can be installed on all floor types or levels. Both washer and dryer have the same hookups and connections as a standard washer and dryer. No additional plumbing or electrical change is needed. Speed Queen's stack washer/dryer combines heavy-duty construction with reliable operation proven to stand the test of time. They're designed with less moving parts for one reason: so you'll face fewer maintenance problems and less wear and tear down the road. Front load products have met every design standard to be 100% ADA compliant.
