Loaded with powerful features

Strength, durability, and performance are at the core of the newly refined Encore by Wascomat small chassis front load dryer. Built with professional grade components and loaded with powerful features, Encore combines innovative technology, energy efficiency, and proven Wascomat reliability for optimal results every time.

Encore Dryer Key Features

- Commercial grade construction
- Extra large load drum — 22+ pound capacity
- 7.0 cu. ft. drum
- Drum supported by five roller bearings for long life
- Fast drying
- Axial airflow ensures the shortest drying time
- Roller supported tumbler
- Easy to clean, heavy duty lint screen
- Extra large door opening for easy loading and unloading
- Large capacity can handle oversized loads with ease
- Coin and card payment compatibility
- Space-saving design
- Easy to install
- Stacking kit available

Money boxes sold separately.

Axial Airflow

The highly efficient axial airflow system and tight construction results in extremely low energy usage and faster dry times.

Roller Supported Tumbler

Innovative support rollers improve drum stability, ensure quiet operation, and extend the life of the machine.

Time-of-Day Promo Pricing

Encore dryers are easily programmable with promotional vend pricing at specified times and days. Multiple promotion events can be programmed at one time using the built-in real time clock.
